Terms and Conditions

This contract is entered into by ABC Logistics Corporation and the client named above, binding the rates listed herein for the validity period stated. Rates quoted are final and shall not be subject to further discount adjustments unless a new contract supersedes this one.

Fuel surcharges, toll fees, port charges, and other government-imposed fees not explicitly included in this contract shall be billed separately when applicable. Delivery schedules remain subject to vessel availability, weather conditions, port congestion, and other circumstances beyond the control of the carrier.

This contract remains in effect from the Valid From date through the Valid To date stated above, unless terminated earlier by either party in writing.
