Terms & Conditions - For Charter

- SHIPPING COMPANY shall provide fuel, oil, lubricant and other supply provisions that are necessary to transport the CHARTERER’s various equipments based on the agreed terms above. Other out-of-pocket expense not incurred in the normal course of the charter shall be for the CHARTERER’s account.
- Loading and unloading expenses shall be for the account of the CHARTERER.
- All CARGO loaded are accepted on the basis of CHARTERER’s load and count. Cargo shall be loaded, stowed/trimmed and discharged by CHARTERER at their risk and expense, under Master's supervision.
- All arrastre, stevedoring, wharfage fees and other port charges related to the shipment of the CARGO shall be for the CHARTERER’s account, unless specified above.
- Damage to VESSEL and its accessories duly certified by the Master as incurred by the stevedores, either at loading and/or unloading ports shall be for the CHARTERER’s account.
- CHARTERER shall undertake a suitability survey of the VESSEL. The start of loading thereunto shall be construed as the CHARTERER’s final acceptance of the VESSEL and SHIPPING COMPANY shall not be held responsible for any and all claims related to the CARGO.
- VESSEL shall not be used for any cargo restricted by the local government authorities, nor loaded with cargoes not government approved and certified for transit nor shall it be towed outside Philippine sheltered waters.
- Claims for either damages or demurrage shall be computed separately and payment thereof must be settled distinctly from freight balance unless agreed otherwise.
- Freight in full deemed to be earned whether VESSEL and/or CARGOES are lost or not lost.
- LAYTIME allowed for loading and/or unloading shall be on a twenty-four (24) hour basis, including Sundays and Holidays.
- Time spent waiting for berth, for pertinent documents of CARGO, for advice on the freight clearances in connection to condition(s) hereof, and other relevant delays, will all count as LAYTIME and for the CHARTERER’s expense.
- Cargo Lien – The SHIPPING COMPANY shall have first lien over the CARGO in the event of non-payment of freight, extra freight charges, damages, demurrage and any amount due to the SHIPPING COMPANY, including all cost of collection, and therefore, is entitled at its option to place the CARGO in a warehouse to sell and/or dispose of such CARGO to recover its claim, without any protest and without any interference to any court of formalities whatsoever, and without prejudice to any claim the CHARTERER may have on the SHIPPING COMPANY. Therefore, the CHARTERER shall pay SHIPPING COMPANY all the balance due within twenty four (24) hours after the VESSEL has secured berth at the port of unloading and ready to unload CARGO.
- Any deviation saving or attempting to save life, property at sea or the environment, or any reasonable deviation, shall not be deemed an infringement or violation of this Charter Party and SHIPPING COMPANY shall not be liable for any loss or damage resulting therefrom.

Terms & Conditions - For Trucking

“Terms & Conditions” Dropdown list:

- Above rates do not apply to “Dangerous Cargoes”.
- Above rates represent base rates and subject to fuel surcharge adjustments.
- Foul trip charges apply to all unsuccessful transport & delivery attempts.
