

Kargamine CRM — Manual Test Guide

Part A — Prospect to Request for Proposal

1. Open CRM.
2. Click "+ New Prospect". Fill Identity tab. Required: Prospect Source, Prospect Name, Business Type, at least one Location.
3. Fill Contact Information tab. Required: at least one Contact Person.
4. Fill Requirements tab (optional). Save the prospect.
5. Open the prospect → click "Request for Proposal" button.
6. Log in as superadmin/admin. Go to Proposals → Request. Open the request. Assign CSR and Relationship Manager (both required). Save.
7. Log in as the assigned CSR or RM. Go to Proposals → My Requests. Click the request row to open the wizard.
8. Fill Company Details tab. Required: Company Name, Location Address, at least one Authorized Signatory.
9. Fill Origin & Destination tab. Required: at least one origin/destination pair.
10. Fill Products tab (optional). Note: there are buttons to copy/prefill a product form from the prospect's existing products — click one, then fill in whatever's missing.
11. Go to Confirmation tab. Click Submit.

Part B — Proposal to Signed

12. Go to Client Masters. Click "+ New Client". Required on Stage 1: Client Mnemonic, at least one Address. Complete Stages 2–4. Save.
13. Open the client → Proposals tab → "+ Add Proposal". Add at least one Container Line (required). Save.
14. Log in as the Relationship Manager (or superadmin). Go to Proposals → Approvals. Open the proposal. Click Approve.
15. Log in as Manager (or superadmin). Go to Proposals → Approvals. Open the same proposal. Click Approve.
16. Go to Proposals → Signed / Contracts. Open the approved proposal. Click Download.
17. Choose a signed file (.pdf/.jpg/.jpeg/.png). Click "Upload & Accept".
